

Our Mission: to support, promote and protect the natural values of land and water in our area.

Monday March 13th, 7pm
North Oyster Community Hall (also by Zoom)
Bats on Vancouver Island

Hosted by NOAHS and the Yellow Point Ecological Society: Linda Brooymans, NALT Stewardship Manager and Mid-Island Coordinator for the BC Community Bat Program, will give a presentation and answer questions on living with (or without) bats, and their benefits. Do you have bats? Would you like to attract them? Come to our meeting before the bats return this spring. Limited amount of guano for sale. In person, at North Oyster Community Centre 13467 Cedar Road, and via Zoom – [register here](#).
